VOLUME 16 | ISSUE 1 | MARCH 2015

## PRESIDENT'S CORNER

*Dick Palmer, President*

Wow, it's already the middle of March. This winter seems like it would never end. So many activities are lined up for spring and the coming year. Please review the coming events calendar, and make sure your e-mails are coming through. If not, check with the membership chairman to see the address is correct. I want to thank Skip Dillon and all of those who helped put on the Annual Game Dinner. Another note is our mortgage note is approaching pay off. We should be finished before October. We need members to step in and help out in the Club activities, and work days. Most are pretty easy, and will help the programs; they are all easy work hours. So step up to help out.

# HUNTING BADGES

Please mark your calendars as you will need to purchase your 2015 badge prior to October 1st. After that date, no badges will be issued, unless you are a new regular member. You must fill out your permission slips, for selecting the type of hunting activity you would like, selecting your fall hunting group, and finally purchasing your badge. Come September 30th, if you have not completed your work hour requirement, or paid your obligations, you will be notified. You must pay for those work hours, and any outstanding obligations, or you will lose your hunting privileges and your badge. Tremendous amount of work goes into this program from permission slips, organizing forms, verifying information on the permission slips, notifying members that information was incorrect or left out, cross checking work hours, obligations paid for, and finally issuing badges. This is to ensure that everyone is eligible to hunt, after meeting these requirements.

It is your responsibility! to make sure that information, work hours, obligations, and payments have been completed so to purchase your badge. Please keep your receipts. It is not up to the Hunt Chairman or Club, it is you.

## REMEMBER OCTOBER 1ST IS THE DEADLINE.

## MEMBERSHIP

*Bob Hruskocy, Membership Chairman*

Currently the clubs membership is: Regular 346, Associate 180, Junior 37, Life 151. The club added 65 new members in 2014, however there were 36 people that did not renew their membership to the club this year and there are 35 people who have not indicated if they are remaining in the club. If you know of anyone that is interested in becoming a member, I can email you an application.

The club collected over \$20,000 in work hours this past year. If your email has changed, please send me the updated address. I send out several emails during the year about work parties and events. Don't wait until September to get your work hours completed. Every year members contact me in September because they need get in their hours. Don't wait!

## ATTENTION MEMBERS:

## BUILDING AND GROUNDS

We need members with tractors with brush hogs minimum width of 48" to cut down the field in front of the Skeet and trap fields and a few areas inside the Sporting Clays and 3-D ranges. It's our intent that we enlarge the parking areas at the pistol/rifle ranges, by removing trees and with the possibility of getting process gravel from the high line expansion. We also need to take down a few trees, split and stack for the coming fall /winter season. This will start after the heating season is done, so our metal cover is clear of the old wood. If you can help, please contact John Postemski at 860- 208-0353. We'll set aside each Monday in April to complete this. You'll get work hours and we can assign your work to fit your schedule.

## PHEASANT MEETING

March 21st is an important Pheasant meeting. We're looking for 6 members to stock for the coming 2015 season. Our existing stocker's are stepping down. It probably would be for Saturday morning only. If you can't make the meeting, please contact Paul Cardinal. We need members to step up for this.

## RAFFLE OBLIGATIONS

Each year, the Executive Board has looked at either increasing dues or making it obligatory that each member must purchase or sell their Club Raffle tickets. The Executive Board felt that the raffle was a better solution. The raffle income has help keep our dues to where it is today. The Club requires each member who is eligible to either sell or purchase a minimum \$40 of the \$60 worth of tickets that are sent to you. Needless to say there are great prizes. Some members may be offended about selling their tickets, which is understood. However, you are still obligated to purchase/sell the required number of tickets. Inside your raffle package you will find tickets and a slip for when to turn your tickets, please be sure you keep your receipt. The raffle drawing is April 14th membership meeting.

## FREE DUES

Members; in an effort to increase attendance at membership meetings, the Board has agreed to try out a new incentive raffle. All regular members' names will be placed in a container and at the end of each membership meeting, one name will be drawn. If that member is present, he or she wins free dues for the following year. Members need to be present in order to win. We will start this in May at the latest. Please watch your e-mails.

## APRIL 18TH 2015 CLUB CLEAN-UP

Work day to clean up around the clubhouse and grounds starts at 9 am till noon. Please bring equipment, rakes, blowers, saws, shovels etc. Easy work hours.

## HUNTING

*Hunt Chairmen Wayne Mather*

I hope everyone enjoyed a good year hunting. Paul Cardinal did another excellent job with the pheasants. Badges for 2015 are available when you receive this newsletter at the bar. All badges must be purchase by October 1, 2015. This gives you 7 months to purchase them. One of the Hunt rules we changed last year was Junior members can only hunt on the same day/group with their parents or sponsor. Private land consent forms are in this newsletter, please fill out and turn them in. Another change last year is you must be very sure of which group you want to hunt, as once your selection is made there is no changing back. The Hunting Rules and Regulations are on the web site under activities drop down you can clip onto them.

---

## TRAP

*Bob Hruskocy, Trap Chairman*

The club will hold one registered trap shoot this year. The date is May 17th. There will be a work parties scheduled to get the fields ready for the event. I will send out emails in May to let you know when they will be. Help will be needed for the shoot, need scorers and help keeping the machines loaded with targets. I also will need someone to cook breakfast and lunch at the lower field. Please let me know if you can help out.

# FISH COMMITTEE REPORT

*Troy Quick, Chairman*

All fishermen must purchase a badge for \$25.00, which entitles them to fish and hunt. All Junior members must also purchase a badge for \$10.00. The badges are available for purchase at the bar. Please remember to sign in and out, observe all rules and posted signs.

## **Fish stockings will take place on the following dates:**

1st stocking – April 3rd {Weather Permitting}

2nd stocking – April 17th

3rd stocking – April 30th

The stocking will start around 4:30pm each day and we would appreciate any volunteers who can make it. Buttonball Trout Hatchery located near the club will supply the fish. The fish will be in good shape since they only have a short trip from the hatchery to our ponds. Brook and rainbow trout will make up over 90% of the fish stocked, with 12-14" fish the minimum size with a good number of 16"+ fish added as well. Brown trout will make up the remaining percent of fish stocked at the last stocking as they are more temperature resistant.

**FYI – The upper pond will be CLOSED from April 30th until May 3rd, the day of the Kid's Fishing Derby.**

The Kid's fishing derby will be held Sunday, **May 3rd from 9am – 12 noon** at the fly pond. Sign up sheets for kids who will be attending will be located on the message board in the bar. The maximum age limit for participants is 15 years of age. Members who don't have children within this age limit can bring a relative (niece, nephew, grandchild) instead. Lunch will be provided free to the children and the kitchen will be open for adults to purchase food and drinks.

We are seeking donations so we can purchase additional fish and prizes for the derby. There will be a sign up sheet located in the bar. Please donate and help make this event fun for all participants!

Two Meritorious Recognition awards were handed out. One was presented to Bill Spears for his involvement with Skeet, instructing new shooters, and helping with the ordering and sale of shotgun components. The other Meritorious Recognition award went to Bill Neff whose hard work over the years in running the successful Annual Club raffle has kept us from increasing our dues.
